

FACULTY OF PARAMEDICAL SCIENCES

WORLD ASTHMA DAY - 2023

Faculty of Paramedical Sciences, Rama University, Kanpur organized World Asthma Day on 02/05/2023 under the guidance of the head of the Institution, Dr. Rajendra Nigam [Principal & Dean] with the theme of "Asthma care for All".

World asthma day is celebrated on 1st Tuesday of month of May, every year, to raise public awareness and understanding about one of the major problem that interferes with daily activities. It is an inflammation and narrowing of the small airways in the lungs cause asthma symptoms, which can be any combination of cough, wheeze, shortness of breath and chest tightness.

The event was co-ordinated by Dr. Gulwish Sadique, Faculty of Paramedical Sciences along with teaching faculties Dr. Nidhi Agarwal, Dr. Nidhi Shukla, Dr. Manjit Kumar, Mr. Satyendra Sachan, Ms. Meghna Verma and Mrs. Kirti Gaur.

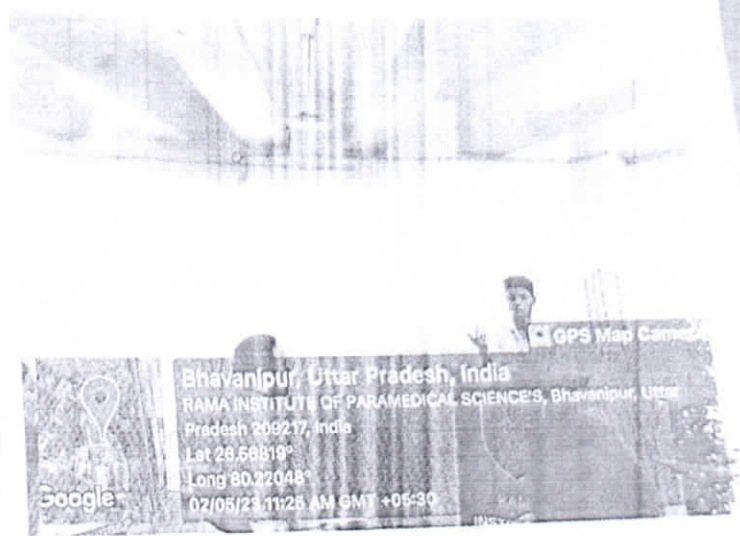

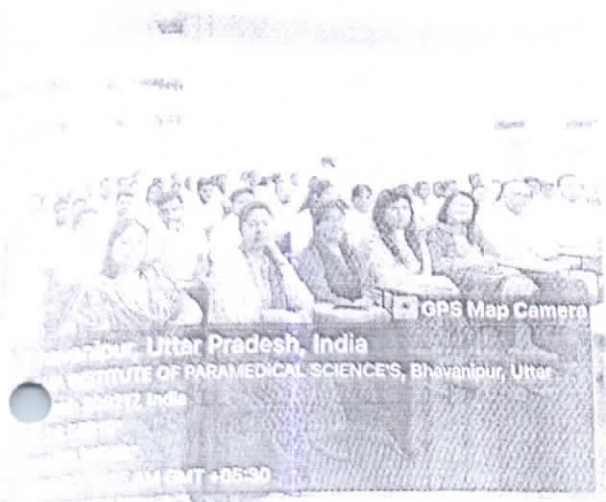

This event was successfully completed with the students of Department of Physiotherapy. During this event, Physiotherapy students explain Asthma, their symptoms and their treatment with exercises.

The purpose of program were –

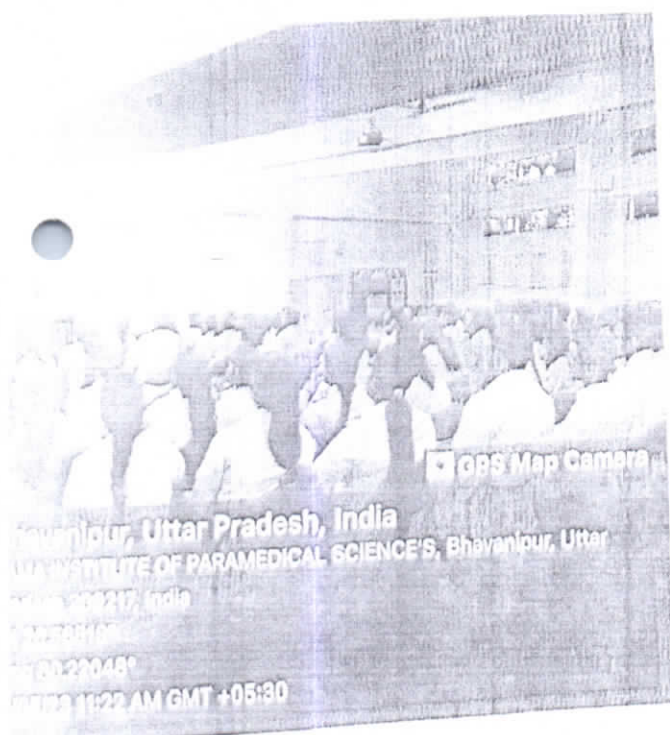

- To raise awareness with educational events.
- To improve the lives of all people with asthma.
- To promote information and resources related to better health.
