

FACULTY OF PARAMEDICAL SCIENCES

WORLD POPULATION DAY

Faculty of Paramedical Sciences, under the guidance of the convenor Dr. Brijendra Nigam [Principal & Dean] organized WORLD POPULATION DAY on 11/07/2022 in LT-5 Basement of Rama Medical College.

This event was successfully completed with students from Department of Medical laboratory Sciences, Optometry and Physiotherapy including BMLT-2<sup>nd</sup> year students along with all teaching faculties who got across the strong point on how to manage population with the help of government schemes and awareness programmes.

Approximately, More than 100 students from Department of Medical laboratory Sciences, Optometry and Physiotherapy participated to promote awareness regarding control of overpopulation through skit, poster presentation and plays (i.e. nukkad natak).

Students presented PPTs regarding management and control of overpopulation.

Abhishek Kumar Verma student of BMLT-2<sup>nd</sup> year presented a speech with full enthusiasm which received outstanding response from audience and faculty.
