2023

Executive Summary

A short film "Silent Echoes" was screened during the CME of Otorhinolaryngology in the auditorium of Rama Medical College Hospital & Research Center, Kanpur on 11 Sep 2023. The film was made by the Pocket Film Club_Rama by students of the college. All the responsibilities in making the film were shouldered by the students themselves such as production, direction, acting, location, story, screen play, music, sound mixing, editing and camera shooting. The story revolved around a child born deaf & dumb to a poor couple. The struggle of the child to intermingle with the main stream society was highlighted well. It was an excellent film.
