

FACULTY OF PARAMEDICAL SCIENCES

WORLD OPTOMETRY DAY - 2023

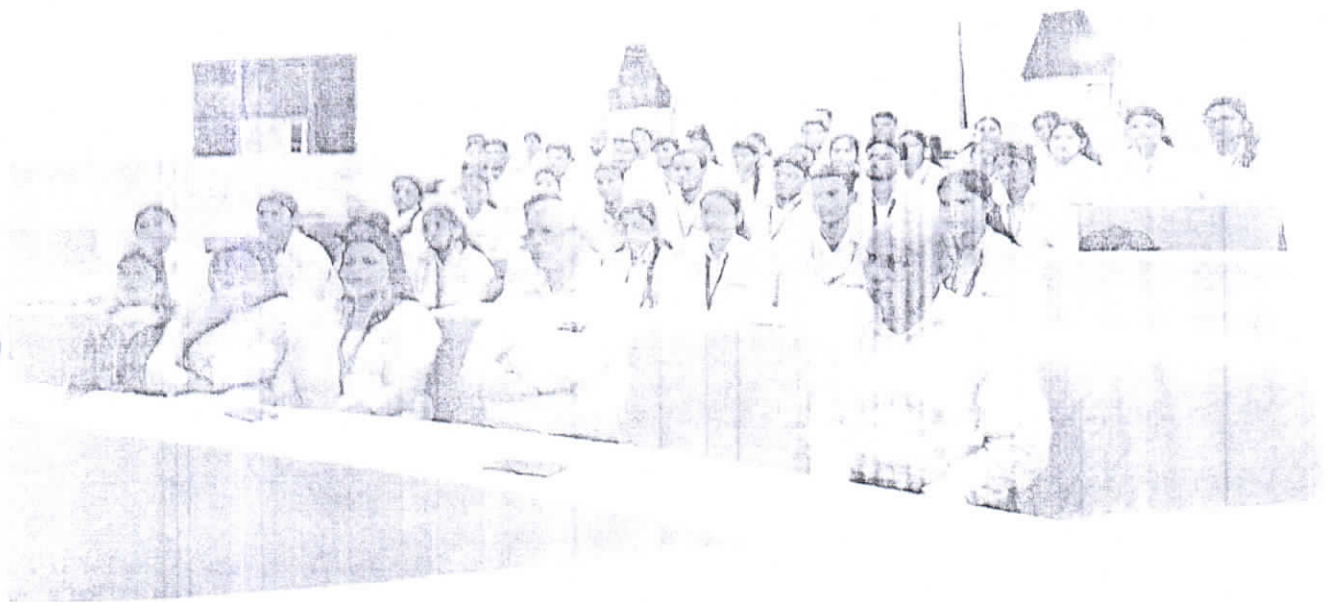

The Faculty of Paramedical Sciences, Department of Optometry, Rama University
Kamarpur organized World Optometry Day on 23.03.2023 with the theme of
"Expanding Optometry's Role... The Time Is Now!"

The program organized on the occasion of World Optometry Day as a part of
World Optometry Week, which is celebrated 19-25 March every year.

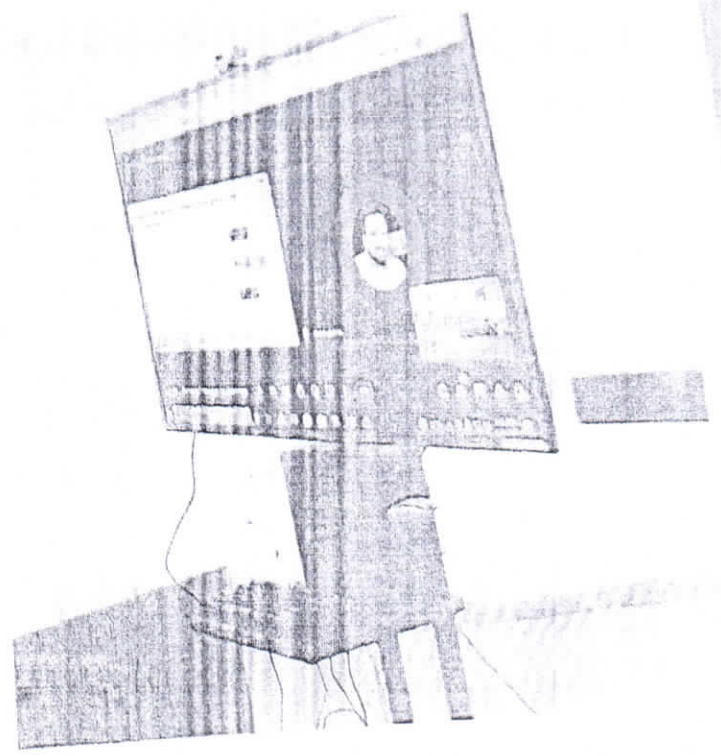

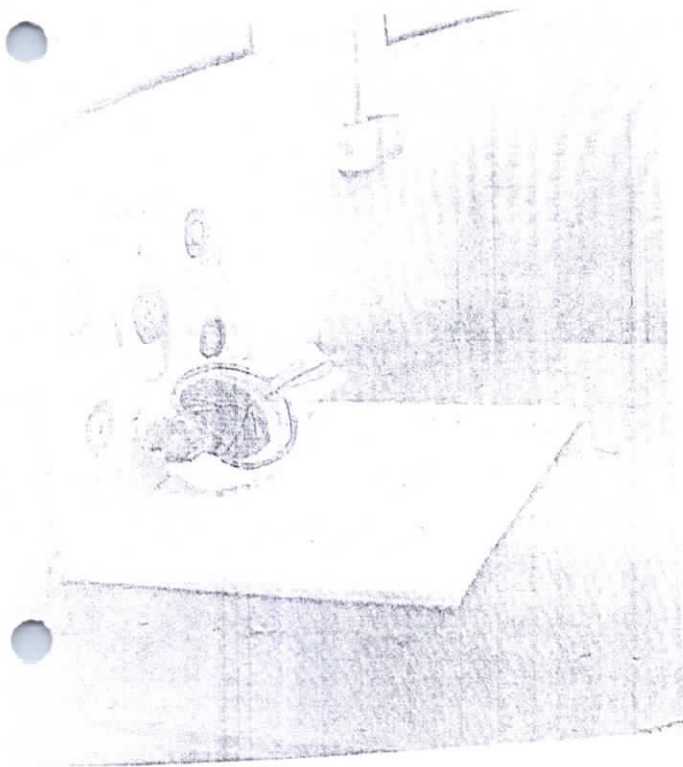

The program comprised a webinar on "Mastering Progressive Lens Dispensing"
and a competition during this event, where all students of Bachelor and Diploma
in Optometry has participated in this in this event

World optometry day provides an opportunity for optometry to reflect on its
current and possible future roles in expanding access to quality and equitable eye

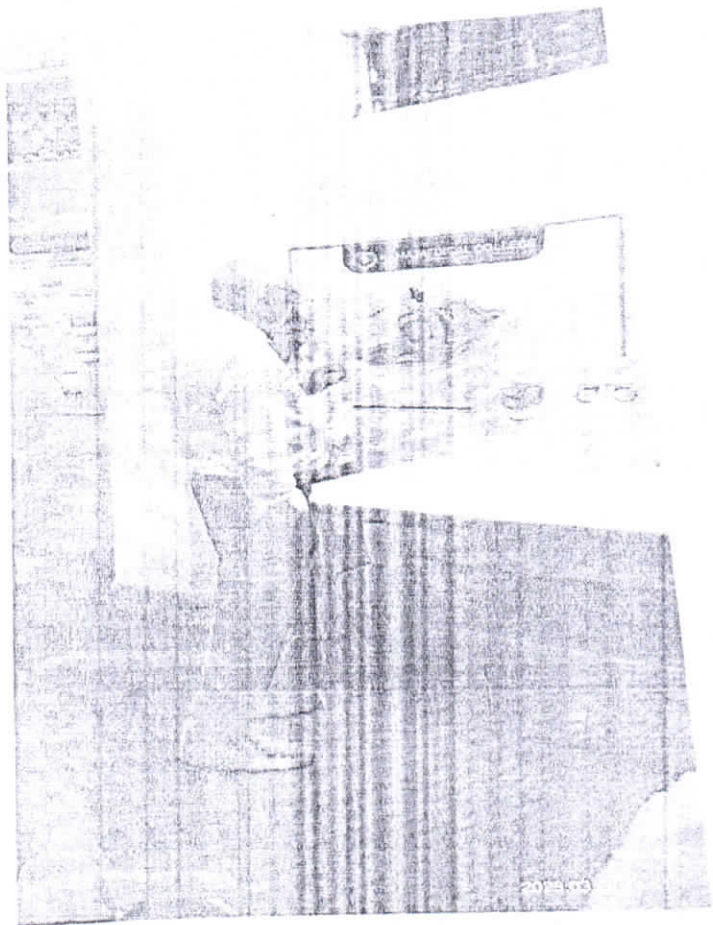

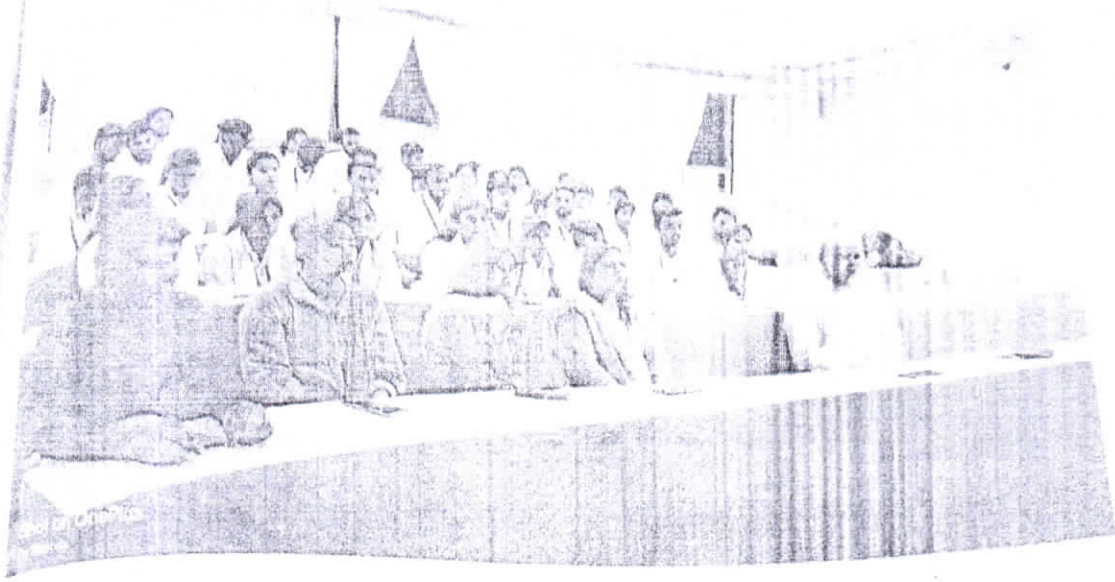

The event was successfully completed with Bachelor and diploma students from
Department of Optometry along with teaching faculties Mr. Satyendra Sachan and
Ms. Meghna Verma.
