Activity organised	<ul style="list-style-type: none">• Tobacco cessation talks & Motivational discussion by faculty.• Oral Screening camp
Objectives	<p>It is our great pleasure to report to you that we from the Department of Prosthodontics have celebrated the World No-Tobacco Day on May 27, 2023, in an attempt to spread awareness about the bad effects of tobacco on oral health and related issues. On this occasion, department faculties and junior doctors have conducted an oral health checkup camp especially to identify the tobacco users and their best possible treatment needs. It was held successfully at Katari Rabba Village (Kanpur) wherein total 55 patients were screened and advised for necessary treatment/tobacco cessation. Both male and female patients were included. All those who needed tobacco cessation were referred to tobacco cessation unit Rama Dental College for their further rehabilitation. Talks and motivational discussions were also conducted by our staff members and junior doctors. Junior doctors have also demonstrated oral hygiene techniques to all patients. Dr. Hemlata, Dr. Himanshu Tiwari, Dr. Ibadat, Dr. Ishatm Dwivedi, Dr. Akanksha Chaurasia graced this occasion.</p>
Outcomes	Raise awareness in patients about the ill-effects of the tobacco use, after-use problems and associated treatment for related lesions.
